

# Golden Jubilee of the LOTUS ELITE

6<sup>th</sup> March, 2007

Thank you for your quick reaction to the plans for our 50<sup>th</sup> anniversary activities.

We did very well last time we had a gathering of Elites and this occasion certainly warrants a big effort to achieve another large assembly. Please make every effort to have your car represented. Several magazines (including the international *Vintage Racecar*) will be doing a feature of the Elites 50<sup>th</sup> and will be there to report the event.

The response to the October celebration at Goulburn has been excellent, with nearly 30 people already confirmed as attending. I know it seems a long way out yet, but if you are considering being part of the occasion, do not delay your decision until close to the date. We need to control the numbers to optimize the dining arrangements so as to make the most of the facilities and avoid overcrowded seating, or overflow into adjoining rooms. It would be sad to miss out by leaving it too late.

The GEAR Meeting at Wakefield Park on Wednesday 10<sup>th</sup> October will feature the 50<sup>th</sup> anniversary of the Elite and follows our dinner on the Tuesday evening at the Comfort Inn Posthouse. More details of the arrangements at the circuit will be advised as they are finalised.

An excellent package deal has been organized that includes accommodation (Tuesday 9<sup>th</sup>), Celebration Dinner and a full cooked breakfast on Wednesday morning.

The cost for a single will be \$145. A couple will pay \$206.

Please let me know as soon as practical as to how you wish to have your accommodation booked, so that the rooms can be confirmed in the appropriate name. Do not send any money. Payment will be on check out Wednesday morning.
