

## The Mike Costin Evening

Pictured in the photograph are Jem Marsh (left) and Mike Costin (right).

Rob Ford, the Avon area leader of Club Lotus (UK) hosted another of his superb evenings when Mike Costin was the guest speaker. The night was made even more interesting as many of Mike's contemporaries and friends from the early days were in attendance. These included Graham Warner, Sir John Whitmore, Ernie Unger, Chris Barber, Warren King and Jem Marsh who founded Marcos cars with Mike's brother Frank Costin.

Rob always works hard to organise a top rate guest speaker every month of the year and all members and Lotus enthusiasts are welcome to come along. Everyone attending enjoyed a great evening and some of the guests have already volunteered as speakers for future meetings.
